

Coaches Optimistic

Lincoln-Way Football Hopes Based On 11 Key Lettermen

The Lincoln-Way Knights, although lacking somewhat in personnel and depth, look forward to improving on last year's season record of three wins-four losses and one tie. The coaching staff feels that with a little willingness and desire, the team can go all the way in conference competition this year.

Head coach for the Knights is Jonas Lashmet, who has coached football for Lincoln-Way since the school was established. His assistants are Ray Page, line coach, and Everest Smith, backfield coach.

The potential of the 28 players now on the squad is very great say all the coaches. Experience should play an important part in the development of varsity players of previous years. There are 11 returning lettermen on this year's squad. They are Richard Arthur, Mike Delancy, Van DeLay, Tom Hamilton, Mike Hart, Ron Kokal, Dale Mancke, Earl Montgomery, Jim Nicholson, Jeff Urban, and Joe Wajchert, Richard Arthur, the only member of the squad who received his letter from a different school, is expected along with the other returning lettermen to play a lot of football for the Knights this season.

The other members of the squad are Harry Barnes, Dave Howell, Tom Mathews, Dennis Pfeifer, Chuck Roberson, all

The Lincoln-Way Knights will journey to Lemont Saturday afternoon for the opening game of the current football season. The sophs will kick off at 12 noon Sept. 14 and the varsity will begin at 2.

Here are the starting line-ups for the game:

LINCOLN WAY	POS.	LEMONT
Mike Hart	LE	Jay Hanrahan
Earl Montgomery	LT	Rich Rimbo
Ric Brooks	LG	Gib Bromberek
Dave Howell	C	George Stoops
Mike Delaney	RG	Carl Johnson
Joe Wajchert	RT	Dan Findley
Jim Nicholson	RE	J.P. Bruzek
Craig Cleply	QB	Gib Frely
Van DeLay	RH	Gerry Baranowski
Tom Hamilton or		
Larry Resutko	LH	Jim Lupo
Jeff Urban	FB	Boek Weck

This game is a continuation of a rivalry which opened in 1956 and in which Lemont has never become a winner. Saturday's contest will be on a brand-new gridiron. Lemont's starting lineup averages 188 in the line and 176 in the backfield.

seniors. Roger Ball, Norm Beebe, Rick Brooks, Craig Cleply, Don Ferrell, Howard Grimes, Paul Kervin, Fred Lutger, Larry Resutko, John Tromp and Ted Welborn, who are juniors, and Bob Bowser, a sophomore.

The squad is small but this factor does not stop a football team from winning. Hampered by injuries to several players, sometimes practice could not be carried on as usual but all players should be ready for the first game Sept. 14 against Lemont.

THE TEAM—With their eye on the first game of the year with Lemont Saturday, Sept. 14 - (there) are these members of the Lincoln-Way Knights football squad. From left in front are manager Greg Fant, Dale Mancke (14), Tom Hamilton (20), Jeff Urban (4), Van DeLay (21), Paul Kervin (76), Dennis Pfeifer (73), Howard Grimes (86), Mike Hart (84), Ron Kokal (87), Norm Beebe (51), Joe Wajchert (72). Second row, manager Ron Parchern, Craig Cleply (10), Roger Batt (31), Larry Resutko (12), Bob Bowser (22), Earl Montgomery (71), Rick Brooks (65), Jim Nicholson (81), Richard Arthur (60), Tom Mathews (64), Dave Howell (50), Mike Delaney (62), Harry Barnes (85), Ted Welborn (63), Chick Roberson (61), Coaches, Coach Everest Smith, Head coach, Jonas Lashmet and Coach Ray Page.

Change Mokena Liquor Law To Allow Another License

The Mokena Village Board approved a change in the Liquor Control Ordinance raising the number of licenses from three to four at their Sept. 3 session. The additional license is earmarked for a new Mokena Bowling Alley, but will not be issued until Liquor Control Commissioner and Village President Charles Swanberg is convinced they will live up to the village liquor control regulations.

Trustee Will Tuttle advised the board of a problem arising as to the repair of a leak in a water line between the main and the buffalo box serving his store. Who has the financial responsibility in such a situation was not clarified by the ordinance covering the matter, and the board decided to study how other villages handle such matters before rewriting the

ordinance.

A report that some 100 water meters are not working properly brought a promise from the water committee that a list of defective meters and materials to repair them would be submitted at the next session. A schedule to flush water hydrants periodically was also requested.

It was pointed out that before any contractor may do work in the village, he is required to put up a bond or deposit. It was noted that this is particularly applicable to the construction of new sidewalks.

Trustee Hans Mueller reported that the street lighting committee is not satisfied that the new 295 watt lights much better than the old 189 watters. He said he thought the addition of mid-block lights would improve the situation.

It was also noted that some street lights have burned out, and replacement parts will be stocked to take care of it. At a request from St. Mary's School, 20 mph limit signs will be put up on the street. The need for speed limit signs on the Tinley Park road and on Wolf Rd. for the school zone were also discussed. County and state jurisdiction may prevent the village from doing what they believe necessary in these cases.

The office of Supt. of Streets and Bridges for the village was proposed and Trustee Mueller agreed to hold the position. The new ordinance will be considered at the next session. An ordinance creating a Village Collector was also tabled. The annual tax levy ordinance was approved.

Ill Health Forces New Lenox Trustee Eugene Hunt To Quit

Frankfort Village Board Trustee Eugene Hunt advised the other members of the board Friday night that ill health made it necessary for him to resign his post.

Board members agreed to interview possible candidates for Hunt's post and report back to an adjourned meeting scheduled for Friday, Sept. 13. Hunt's replacement will be appointed with approval of the board and Village President Stanley Gilmore and will serve until the next village election.

After considerable discussion to eliminate loopholes, the Board voted Friday to obtain a lien on the property of any Frankfort resident who has a sewer bill which runs more than \$60. After the lien is filed the homeowner will receive official notice of the lien. No lien

will be released until all costs, fees and penalties are paid.

An ordinance outlining the conditions under which residents may hook into the village sewer was also passed.

A new one ton truck for the street department will be purchased from Jerry's Sinclair Service for \$1947. This was the lowest of two bids received.

After a considerable discussion of the future needs of the village it was decided unanimously to issue the remaining \$15,000 of general obligation bonds which had been authorized by the voters in the recent \$200,000 bond issue for the sewer and water system.

A study, made some time ago of the village water system needs, will be resurrected and considered again by the board. The annual tax levy ordinance

UNPACK TROPHIES -- Climax of the Mokena baseball season will be an all-star game played within the next 3 weeks between the manager-coaches and all star players of the Babe Ruth League. At the conclusion of the game, the Mokena Park Board will present the trophies being unpacked above by Mr. and Mrs. George Carlisle to Little League and Babe Ruth winners. Graphic Newspapers Photo

Frankfort Hopes To Lower '64 Water-Sewer Charges

Frankfort taxpayers will be happy to know that the Village Board is making a concerted effort to bring about a reduction in water and sewer bills next year.

About November of 1964 the board expects to pay off an addi-

tional \$50,000 on the current bond issue for the sewer plant. It is believed that if they can pay off this much the bond issue in advance that it can lead to a reduction in rates for water and sewer service.

Two Mokena Men Wounded In Joliet

Kenneth Benson, 38, of 100 Hiawatha Blvd., Mokena, is reported in fair condition at St. Joseph's hospital. He was wounded early Saturday by an unidentified assailant in Joliet.

The bullet has not been removed from his right shoulder. Police have asked that the slug be turned over to them as a possible lead in the investigation.

Roy W. Erdmann, 51, of Mokena, a friend of Benson's, was arrested by police on a disorderly conduct charge. Erdmann was released from the hospital after five stitches were taken to close a head wound. His hearing was continued until Sept. 17. Bond was set at \$500.

Benson also faces a disorderly conduct charge on his release from the hospital, police said.

Near Chicago and DeKalb streets, Erdman was hit over the head, Benson heard the commotion, turned around and saw a dark complexioned man fighting with Erdman. Apparently robbery was the motive of the attack on Benson and Erdman. Benson pulled the man off Erdman and as he turned around he saw a gun in the man's hand and heard the shot. The bullet entered his arm.

A west side resident called police to report a fight and shooting.

Erdman threw his wallet containing approximately \$90 under a nearby car when he realized he was to be robbed. Police found the wallet with money

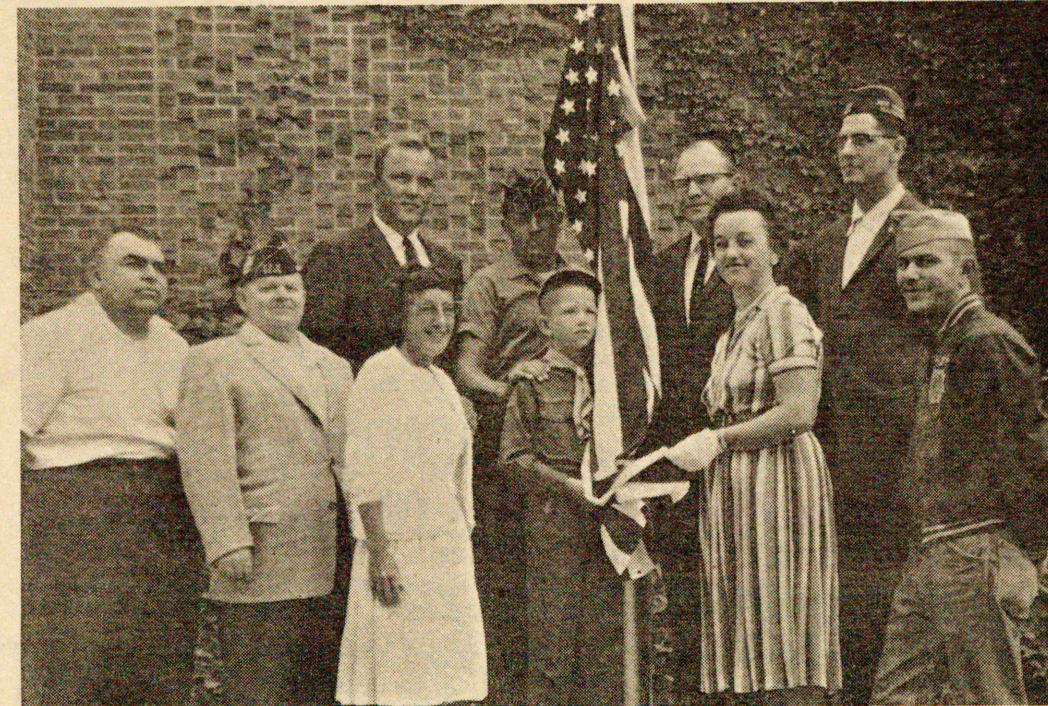

Mokena Band Boosters To Meet Sept. 16

The Mokena Band Boosters welcomes all the band parents to their first monthly meeting, Sept. 16 at 7:45 p.m. at Carpenter st. school. Let's have all the band students represented by their parents.

Perry Friedman, director, will be on hand to answer any questions concerning the students. Plans for the coming year will be discussed including objects of the Band Boosters, concerts, contests and activities for the band students.

This years officers and committeemen are: Mrs. Frank Dixon, pres.; Robert Homering, vice-pres.; Mrs. Robert Schute, secretary; Mrs. Ken Warning, treasurer; Mr. and Mrs. Guy Moses, ways and means; Mrs. Wm. Lenich, uniforms; Walt Niedringhaus, membership.

The first Band Boosters dance will be held Saturday, Sept. 14 from 7 until 9:45 p.m. at the Carpenter st. school. It will be chaperoned by the Band Boosters.

PRESENT NEW FLAG - The Harry E. Anderson V.F.W. Post 9545 of New Lenox presented a new flag and flagpole to the Haven School of New Lenox School District 122 in a ceremony held on the school grounds. Robert Fisher, Senior Vice Commander, made the presentation to Arnold Tyler, Superintendent of New Lenox School District 122. In the ceremony (left to right) are: front row; Mike Kruck, principal; Tony Bruck, V.F.W. Post Adjutant; Alice Fraser, V.F.W. Auxiliary Pres.; Ricky Johnson, Den 8-Cub Scouts; Evelyn Krohn, President, New Lenox P.T.A.; and Fisher; (Back Row) Evans Drotts, New Lenox Board of Education; Harold Daily, V.F.W. Post Chaplain; Tyler, and John Vincent, V.F.W. Post Quartermaster.

Mokena C. of C. To Open Office On Front Street

The Mokena Chamber of Commerce is to open an office on Front st. in the immediate future to better acquaint the townspeople and visitors with its aims and objectives.

The Chamber decided upon this course at its last meeting and has come to an agreement with Roy T. Richardson to rent the space next to his market at Front and Division streets.

The Chamber is also looking for a man to operate the office. Because the organization's funds are limited for this purpose effort is being made to employ someone retired who would like to add to his income while at the same time performing a community service.

Such a man must be able to

carry on a correspondence with prospective newcomers, and business, commercial and industrial firms interested in new locations. He would also be on hand to answer inquiries posed directly by visitors to the community.

Men interested in such a job are asked to communicate with Wayne Ryder, president of the Chamber of Commerce. Ryder may be reached at the Sinclair service station he operates at Wolf rd. and Front st.

John Langland was appointed to make the arrangements with Richardson for the rental of the office to be opened the first of October. Tentative hours have been set from 10 a.m. to noon and 1 to 2 p.m. in the afternoon, five days a week.

Frankfort FPD Trustees Say New \$65,000 Building Needed

The trustees of the Frankfort Fire Protection District have been exploring all possibilities for the construction of a new fire house. Several conferences have been held with the architect and with the committee of property owners in the district to discuss the alternatives available.

It has been finally decided that the Frankfort Fire Protection District should purchase the

land and build a new building for the fire district at a total cost of \$65,000. This price will include land, building, improvements and all costs of construction. The building itself will be one story of concrete block construction, 68 feet in width and 74 feet long with a brick front. It will house six pieces of equipment and be heated by forced hot air. The land area to be purchased will be large enough to

permit future expansion when needed.

The fire department consists of 38 men, all volunteers, who receive no pay for their service. They meet every Monday night for fire-fighting school and practice.

They are on call 24 hours a day in all types of weather. The trustees believe that the fire department is entitled to an adequate place to meet, practice

and house fire fighting equipment.

At the present time there are four pieces of equipment, three pieces housed in crowded quarters and the 4th piece of equipment parked outside.

The total cost of \$65,000 would result in an added real estate tax of .033 per cent (33 cents per \$1,000 equalized assessed valuation). On the average 160 acre farm with a

\$30,000 assessed valuation the added tax would be \$9.90 per year. On the average \$8,000 residence it would be \$2.64 per year. However, the Trustees pointed out that the fire truck has now been paid in full and that their general operating expenses will drop from a tax rate of 72 cents to 52 cents per \$1,000 so that the actual increase in tax rates for Fire Protection District will only be

about one-third of the above figures.

Both the Board of Trustees and the committee ask that all property owners take an active interest in this election. With the growth in the Frankfort area and their overcrowded conditions now existing at the Village Hall, this matter is of extreme importance and all voters are urged to vote on this bond issue Saturday, Sept. 14.

Arbury Hills

Kindergarten Organization Meets At School Sept. 17

MRS. EDWARD HOVI 479-5740

The Arbury Hills Kindergarten Organization will have their regular monthly general membership meeting at the school next Tuesday evening, Sept. 17, at 8 p.m. The hostess for this meeting will be Mrs. Tom Tanis, who will be responsible for providing and serving the refreshments for the meeting.

The fall session of the kindergarten opened at the school Tuesday, Sept. 3, coinciding with the start of regular classes at the school. The kindergarten class is being taught by Mrs. Martha Rickert from Chicago Heights, who has had considerable teaching experience, both with regular and substitute teaching.

The kindergarten organization plans, at the present time, are to have just one fund raising activity for this year. Mrs. William O'Neill is in charge of the fund-raising activity, which is the selling of Christmas Cards.

These cards can be ordered from Mrs. O'Neill either with or without a printed name on them. There will be no Christmas wrapping paper sold.

The proceeds from the sale

Mr. and Mrs. Loren Sass and daughter Verda have returned home from Manhattan, Kansas, where they spent a week with Miss Cheryl Sass who will begin graduate work on Sept. 9th at Kansas State University.

The September meeting of the Marley Missionary Society was held on Wed. at the Marley church. The program was presented by Mrs. Ian Brown. The hostesses were Mrs. Loren Sass, Mrs. Victor Zaloudek, Mrs. Edna Lauffer and Mrs. Charles Sievert.

"Tools for Teaching" was the theme for the day when Joliet Area Baptist churches held their annual church school workers retreat at the Marley Baptist Community Church on Sept. 8. The program began at 2:30 p.m. and concluded with a campfire dedication at 8 p.m. The churches participating were the Judson Baptist Church, First Baptist Church of Morris, Mt. Olive Baptist Church, Marley Baptist Community Church and the First Baptist Church of Joliet.

Taking part in the days program were the Rev. Todd Roberts, opening; the Rev. Leland Roth, book display; and Earl Kinney, special music.

Resource leaders were Mrs. Albert Sorenson, Director of Christian Education, Ottawa Street Methodist church and Aaron Sorenson, student of ministry.

Departmental leaders were: Nursery, Mrs. Betty Brown; kindergarten, Mrs. Marian Brewster; primary, Mrs. Mary Markwalter; Juniors, Mrs. Charlene Estle; junior high, William Brewster; senior high, Earl Kinney; adults, Mr. and Mrs. Jack Price, Mrs. William Storey Jr. was chairman of the day.

A supper, planned by Mrs. Edith Hicks and Mrs. Leola Chase, was served.

Mrs. Charles Elliott was a luncheon guest on Saturday in the home of her cousin, Mrs. Walter Hirschauer in Midlothian.

of these cards will be used to purchase new toys for the kindergarten. The toys now in use are the original ones purchased two years ago, when the kindergarten first held classes. Replacements are now needed.

The Arbury Hills Civic Assn., held their first monthly membership meeting of the fall season, following a three month summer lay-off, on Tuesday evening, Sept. 3, at the school. There was a small, but adequate turnout for a quorum.

CIRCULATE PETITION
There were many important items on the agenda for the meeting. A petition is being circulated among residents of Arbury Hills, which was first in appearance at the meeting, in an effort to improve the condition of Willow Lane. At the present time there is almost a complete absence of paved road on Willow Lane. In addition to the absence of pavement, there are numerous and deep pot holes on the road.

There had been an earlier promise of repairs to the road by grading in May. This was not done, and the residents are becoming increasingly upset over the situation.

It is hoped that the petition will add weight to the individual requests for repairs to the road.

In connection with the petition, Carlin French is to contact Mr. Yunker, who is connected with the Township Road Bureau.

It has been decided that the annual nominating committee to set up a slate of officers for the up-coming elections next February, should be set up in either the month of November or December instead of the month of January as has been the custom in prior years. This decision does not require an amendment to the by-laws since the committee may be set up at any time prior to the February election meeting.

A committee will arrange the next social affair for the Civic Association. The idea of a hay ride and barn dance had been discussed at the last board of directors meeting held during the week before the meeting. Dick Prather volunteered to check into the matter with two local places which offer this activity.

A tentative date of Saturday evening, Oct. 12 was set.

The cost of the affair will be \$1.50 per person, with each person providing his own food for the cookout following the hay ride. It will be limited to residents of Arbury Hills who are over 21. The hay ride and barn dance will take place at Valley View Farm on Route 30. The volunteer committee consists of Dick Prather, as chairman, with Phyllis Prather, Jim Muicello, Jim Lillie, and Mr. Nyder as assistants. There will be further information both by flyers and through this newspaper in the near future.

Plans were also announced for an indoor Christmas party for the children of Arbury Hills. The party will take place in the new all-purpose room in the addition to the school.

The party will be complete with a decorated tree, Santa Claus, gifts and refreshments for the children of Arbury Hills. The women of Arbury Hills will be asked to donate homemade cookies and/or cupcakes for the party.

The reflective tape on the

entranceway posts have lost much of their original brilliance and plastic reflectors purchased by the Civic Association will be installed on the posts to illuminate the entrances again. The posts which have been knocked down will be replaced.

One further volunteer committee was formed to investigate the reasons for the lack of interest in attendance in the monthly meetings. Those included in this committee were: Mr. Biddle, Mr. Nyder, and Mr. Boirne. The committee will draw up a questionnaire which will be distributed to each household to determine the ideas of the residents of the community to improve the Civic Association.

The last announcement was that a speaker, Mr. Krusemark from Frankfort, would be in attendance at the October meeting of the Civic Association Tuesday evening, Oct. 1, at 8 p.m. Krusemark will give a talk on incorporation for Arbury Hills.

There has been private discussion among the residents of Arbury Hills pertaining to incorporation, but few laymen actually know the pros and cons of incorporation.

This will give everyone an opportunity to discover first hand the actual reasons for or against incorporation.

There will also be an attempt made to have a speaker present at the November meeting to give the opposing views on the matter.

This is a matter of utmost importance to everyone in Arbury Hills, and an exerted effort should be made to have at least one member of the family attend the October and November meetings of the Civic Association.

The First Nighters held their regular monthly meeting at the home of Mrs. Joseph Farnham of 9514 Rosewood lane, Thursday evening, Sept. 5.

The hostesses prize was won by Mrs. Marvin Rognlie, and the meeting for the month of October is to be held at the home of Mrs. Arthur Fife of 9431 W. Birch Thursday evening, Oct. 3, at 8 p.m.

Paul Quarterman son of Mr. and Mrs. Edwin Quarterman of 9541 W. Hickory, returned home after a stay of several days in the Silver Cross Hospital in Joliet. He suffered a multiple fracture of his jaw while playing football during early practice at Lincoln-Way High School. He had surgery on the jaw and it will remain wired for some time yet.

Lincolnwood Take 2300 Mile Trip

Mr. and Mrs. Marcel Halik and daughter Millicent have returned home from a 2300 mile two week vacation trip in northeastern Canada. They camped in Tinigami Provincial Forest, and Algonquin Provincial Park. Enroute home they visited in Grand Haven, Mich. for a few days with relatives.

Mr. and Mrs. Philip Heitman and family spent the past week-end in Toledo, Ohio where they visited with his mother, Mrs. Emil Heitman and other relatives.

appreciate knowing the members of the Orland Park PTA have decided to be different.

The local PTA decided that, in the first place, the faithful parents and teachers who always show up shouldn't have to suffer for their fidelity. In the second place, activities of the PTA are so important that something should be done to attract the not-so-faithful.

Under the leadership of the new president, Mrs. Kenneth DeRoss, the PTA came up with this: no more droning recitations of minutes and financial reports; they will be passed out in mimeograph form.

The Orland Park PTA invites you to reserve Saturday, Oct. 12 for an evening of barbershop singing with a womens chorus and a male quartet. The program will be held at the Orland Park elementary school gym.

Refreshments will be served. More information will be given later.

WED 50 YEARS - The golden wedding anniversary of Mr. and Mrs. Herbert J. Lambrecht, 111 Oak Frankfort, will be celebrated Sunday, Sept. 15, at open house to be held from 2 to 5 and 7 to 9 p.m. in St. Peter's church, LaPorte road and Ash street, Frankfort. Lambrecht is the owner of the Lambrecht agency, the oldest established business in Frankfort. He entered the insurance and real estate business in 1917 after owning an ice cream parlor and confectionery store for four years previously. Lambrecht also has the distinction of being the oldest resident born in the village, his lifelong home. The couple were married Sept. 17, 1913, in St. Peter's church by Mr. Lambrecht's father, the late Rev. Gustav Lambrecht. Sharing in the festivities will be the Lambrechts' son Paul of Frankfort and daughter Kathryn (Mrs. Robert Anderson) of Ft. Lauderdale, Fla.; their grand-children, Nancy and Tom Lambrecht and Michele Anderson. Attending the couple 50 years ago were Harry Berst of Joliet and Miss Viola Lankenau of Frankfort, the late Mrs. Berst and the late Emil Schroeder.

Ambulance Call

The emergency squad of the Mokena fire dept. answered a call at 3:20 Friday afternoon from Jim's Tavern.

Walter Matts, a steel construction worker, who lives at W. Circle Dr., Lincoln Wood suffered an apparent attack of stomach ulcers and had to be taken to Silver Cross Hospital for treatment.

Orland Visits Lockport E. In Football Opener Friday

Although non-conference games are supposed to be "breathers" for most teams, Friday night's Lockport-Sandburg contest may very well be one of the best either team faces all season long.

Both squads are blessed with enough returning lettermen to make up nearly a full squad and both have made it a point to be in top shape for the coming grid wars.

Coach Bill Zimmer at Lockport East has had his football squad on a rigid physical conditioning schedule this summer with the plan that many of his boys will go all game long in both offense and defense.

Zimmer and his staff, Larry Vance (backfield coach) and Mel Deskin (line coach) knew almost a year ago that the split in the Lockport District for the new west side school would take some of their best players. They now feel that their squad is a fine one, but they do lack depth. This conditioning effort has paid off too, as the Porters have not suffered any injury more serious than a strained ankle despite the fact that they

have had plenty of hard scrimmaging.

Zimmer is especially hopeful about his backfield. He rates them as one of the best as a unit he has coached and is happy to note they are generally quite a speedy crew.

Jerry Anderson is the veteran man behind the center at quarterback and his talented understudy is John Rogers who plays both halfback and quarterback.

Other key backs are Gary Bond, Jerry Pochynok, Jack Mau, Dave Sims and Jimmy Craft.

In the line Zimmer is depending on a rough and ready crew of veterans, Don Spink, Mike Murawski, Len Barney, Bill McSherry, 240 lb. John Amer, Gordon Astrum, Wayne London, Bill Drost and Mike LeGrand, all veterans and lettermen.

Lockport figures to be in contention for conference honors, but they will have to beat Joliet, Bloom, Blue Island and Thornton in rough competition to come out on top.

At a 7 o'clock candlelight ceremony the evening of Aug. 24 in the New Lenox Methodist church, Miss Nancy Lorraine Beedle became the bride of Jack A. Talmage.

Rev. Glenn Ames officiated at the wedding service uniting the daughter of Mr. and Mrs. Paul W. Beedle, 1238 N. Elm drive, New Lenox, and the son of Mrs. Stuart Talmage, Mattoon.

Guest soloist Edward Manthey, brother-in-law of the groom was accompanied at the organ by Mr. Larry Cullison.

Escorted by her father to an altar enhanced by bouquets of blue carnations and white gladioli and palms on either side of the altar, the bride wore a gown of white chantilly lace, street-length controlled skirt with unpressed side pleats and taffeta bow in back, fitted basque bodice with scoop neckline and bracelet length sleeves. A demure seed pearl encrusted tiara was attached to a short full imported french illusion veil. She carried a cascade of white gladioli and stephanotis.

Miss Mary Lou Gertenrick attended as maid of honor. She wore copen blue nylon over a taffeta sheath with matching full over-skirt and matching accessories. She carried an arm bouquet of white roses with blue bow.

Roland Whalen attended as best man and ushers were Donald Beedle, brother of the bride and Ralph Boden, cousin of the groom.

Candlelighters were Mark Roscoe, nephew of the groom and Susan Sexton.

Flower girl was Janelle Beedle, niece of the bride. She carried a lace basket with white rose petals and a blue and white corsage.

Jack Talmage And Nancy Beedle Vows Are Solemized

Daughters Honored At Open House

A reception followed in the church fellowship hall. Mrs. Beedle, mother of the bride, greeted guests wearing a beige frock with embroidered full skirt, brown and beige accessories and a brown orchid corsage. The bridegroom's mother Mrs. Talmage, wore a chartruese silk sheath with matching accessories and a green orchid corsage.

Following a Chicago honeymoon, the newlyweds are now residing at Apt. E51, Cardinal Court, Normal, Ill.

Mr. and Mrs. Donald Maue of Orland Park held open house on Sunday Sept. 1 in honor of their daughters, Janet and Wilma.

Janet has been enrolled in a nursing degree program for the past four years in Decatur and graduated on Aug. 23 receiving

a bachelor of science degree from Millikin university and a diploma from the Decatur and Macon county hospital school of nursing. She will begin work at the Elgin state hospital in the third week of Sept.

Wilma has been studying at the University of Exeter in Devon, England for the past year and returned to the U.S. on Aug. 22. Besides attending the university, Wilma spent 4 1/2 months of the year youth hostelling in Europe. She will return to Rockford, Ill. on Sept. 12 for her final year at Rockford college.

ECONOMICS

Q and A.

Q. What is meant by a profit squeeze?

A. A profit squeeze is brought about when the operating costs of a company are so high as to force it to pay out more than it takes in and it cannot raise the price of its product without pricing itself out of the market.

Q. What is the largest of the operating costs?

A. Wages paid to employees represent, by far, the heaviest of the operating expenses—accounting for about 80 per cent of the cost of industrial establishment operation.

Q. Are profits important to economic well-being?

A. Profits and the hope of profits are among the vital forces of our free enterprise system. When profits are high, as the record shows, we have "good times" and there are plenty of jobs. When profits are low we have recessions and unemployment.

Q. Should an employee be concerned about the profitability of the company for which he works?

A. Obviously, since his very job is at stake. The people who have risked their savings to finance the company cannot be expected to continue to pour money into it unless there is a reasonable expectation of profit.

Q. Are profits kept by a few?

A. On the contrary they are widely distributed. More than 17,000,000 people are shareholders in America's corporations and the dividends they receive are paid out of the profits these corporations earn.

Q. How much do industrial companies make?

A. Manufacturing corporations had an average profit of but 3.2 per cent on the sales dollar in 1961 (the last year for which statistics are available).

"THANKS A HUNDRED BILLION"

SUCH IS THE SLOGAN BEING USED FOR THE MONTH OF SEPTEMBER BY THE SAVINGS AND LOAN INDUSTRY, TO THANK ITS MANY DEPOSITORS FOR THEIR FAITH AND CONFIDENCE EXPRESSED BY THEIR DEPOSITS, WHICH ENABLED THE ASSOCIATIONS TO EXCEED 100 BILLION DOLLARS IN ASSETS.

Recently there has been some distressing news relative to a few savings and loan associations, but, when taken objectively and noted that there are approximately 4500 associations who each year make mortgages to over one million home owners, and have assets of over a hundred billion dollars, the overall strength and integrity of the industry is indisputable.

When the safety council makes its prediction of automobile fatalities for a given year, and facts bear them out to be true, I am sure that car owners do not garage their automobiles and walk. They recognize a certain risk in any facet of life, which is controlled by human action. Such is the same with the savings and loan industry. However, the risk of human failings is minimized by the operation of the Federal Savings and Loan Insurance Corporation which insures the account of the association; and the Director of Financial Institutions of Illinois and the Federal Home Loan Bank, who periodically, through their examiners, check the management and operations of the association.

Of this tremendous industry Palos Savings and Loan Association is one of the younger members, being a little over 3-1/2 years old, but by good and conservative action on the part of the Board of Directors its assets total \$5,000,000.00. It has been the policy of the association that, in so far as the vast majority of the depositors are residents of the southwest suburbs, the mortgage commitments should likewise be to the residents of these communities.

The Palos Savings and Loan Association is a community venture, rendering a community service to both savers and borrowers. We invite any person who has a problem relative to savings accounts or mortgages to come in and discuss it with us. If there is a solution to the problem, it will be found and acted upon.

In the weeks that follow, our officers and directors will present their views relative to various phases of our association. I sincerely hope you will take the time to read their comments.

Thank you,

John J. Gordon
President

44% of America's home financing!

Income—\$3 Billion in yearly earnings
paid to 35 million savers!

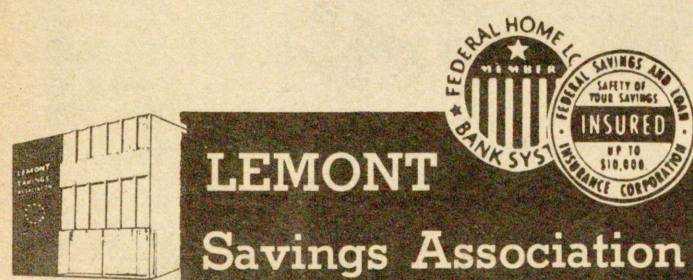

The fuller, more prosperous life created for all America by the nation's 6,300 Savings and Loan Associations is clearly reflected in the above figures.

Today some 35 million savers and 9 million home-buying families are building their *personal security* with the help of local Savings and Loan Associations. In so doing, they have developed a sturdy system of specialized savings institutions . . . which this month celebrate \$100 BILLION DOLLARS in resources.

To these thrifty families, we say, "Congratulations!" Only under America's free enterprise way of life can the average person achieve such *personal security*. We are proud of your accomplishments and happy to have contributed to your success.
